Dear Sir:

**PRELIMINARY AMENDMENT**

Amend the above subject application as follows:

**In the Specification:**

Replace the paragraph beginning at line 14 on page 3 and ending at line 5 on page 4 with the following rewritten paragraph:

- - Accordingly, the present invention provides a vapour recovery system for efficient and safe recovery of a vapour from a solvent comprising:

a distillation module comprising a distillation chamber for the solvent and heating means for heating the chamber to vaporize the solvent;

a direct condensation module comprising a container for condensing the vapour and collecting the solvent in the liquid phase;
